1. Disciplinary Policy

Hockey Wales is responsible for setting and maintaining the standards of behaviour within the sport and for ensuring that disciplinary procedures and Codes of Conduct are in place. All members are responsible for being aware of and abiding by the Hockey Wales rules and regulations and for maintaining high standards. Any disciplinary issues that arise will be dealt with as promptly as possible and disciplinary action will only be considered when the facts of the case have been established. Disciplinary action will always be appropriate to all the circumstances of the case in question and processes and procedures will be applied in a consistent manner.

Responsibility of Hockey Wales to Limit Disciplinary Problems

Ambiguity or misunderstanding of rules and regulations can lead to them being broken so Hockey Wales will try to be clear and transparent in all its activities and ensure good levels of communication. Rules, regulations and codes will be applied consistently and appropriately at all times. There will be clear expectations in terms of standards of behaviour that apply throughout the organisation.

Hockey Wales will always respond to any disciplinary problems as soon as possible so that they do not persist or develop into potentially damaging issues. Hockey Wales will deal with these problems consistently using clear written procedures that everyone understands.

OVERVIEW

What constitutes a Disciplinary Matter?

In very simple terms a disciplinary matter can arise if any rule, regulation or agreement that is in place is “broken” in some way that leads to a problem. The points below expand on this simple explanation highlighting the main areas that might give rise to a disciplinary complaint:

1. any breach, failure, refusal or neglect to comply with a provision of
 - a. the Company Memorandum and Articles of Association, Regulations, Byelaws or Standing Orders;
 - b. any policy, resolution or determination of the Hockey Wales Board or subcommittee;
 - c. any regulations of an event including match day misconduct, except where such breach, failure, refusal or neglect is of the Hockey Wales Anti-Doping Regulations, Safeguarding Policy, or “red card offences”- in such circumstances the matter shall be dealt with as set out in those Regulations as amended from time to time;
2. any refusal or neglect to comply with the rules and regulations of the International Hockey Federation, European Hockey Federation or Hockey Wales; or specific Regional or League regulations; or
3. failure to abide by the terms of any agreement notified to members including the provision of any facilities entered into by Hockey Wales on behalf of members;

4. breaching Hockey Wales Equity Policy
5. breaching any terms of reference, codes of conduct, regulations or other general policies of the organisation;
6. conduct that is disgraceful or opposed to the general interests of Hockey Wales or the sport of hockey (including, without limitation, conduct that brings the sport into disrepute, discriminatory conduct, harassment and inappropriate behaviour);
7. behaviour that is otherwise considered generally unacceptable and contrary to the conduct expected of a member or a registered participant or anyone acting in any other capacity on behalf of Hockey Wales;
8. behaviour that is or is likely to be prejudicial to the smooth running of an event organised by or on behalf of Hockey Wales or any event that Hockey Wales is associated with;
9. any other matter raised by or about a member, registered participant or anyone acting in any other capacity on behalf of Hockey Wales which raises concerns with the Board of Directors.

Criminal offences

Any matter that is brought to the attention of a Disciplinary Officer where the Investigation Committee decides that the matter should be dealt with by the Police will be referred accordingly. Any action to be brought by way of the Hockey Wales disciplinary procedures may be suspended until the outcome of the criminal investigation is determined.

Anti-doping regulations

Hockey Wales has adopted unconditionally the 'UK Sport Doping Rules' and all matters regarding Doping shall be dealt under such 'UK Sport Doping Rules' which shall take precedence over the Disciplinary Procedures. Further information on all matters relating to the Anti-doping Regulations may be found at www.hockeywales.org.uk or by contacting Hockey Wales Head Office.

Safeguarding Policy

In all cases where there is concern about the safety or protection of children, the matter must immediately be referred to the Hockey Wales Safeguarding Officer.

Hockey Wales Safeguarding Policy, when appropriate, shall take precedence over the Disciplinary Procedures. Further information on all matters relating to the welfare of children and vulnerable adults may be found at www.hockeywales.org.uk

Red Card Offences

Hockey Wales has specific red card offences policies and procedures, when appropriate, shall take precedence over the Disciplinary Procedures. Further information on all matters relating to red card offences may be found at www.hockeywales.org.uk

Where should Discipline be addressed?

Disciplinary issues and complaints should be dealt with at the most local and suitable place and should only be advanced upwards from Region to National if the individual circumstances warrant transfer.

Hockey Wales and each Region shall have a named Disciplinary Officer to whom any disciplinary complaint should be referred within 10 working days of its incidence.

- In all cases establish facts before taking any action.
- Always deal with cases of minor misconduct or unsatisfactory behaviour informally.

- 2.2 The conduct of any disciplinary hearings held under these Procedures shall be determined by the Chair of the Disciplinary Panel. It should be noted that a Disciplinary Panel is not governed by rules of court or legislative provision however Chairs must ensure at all times that common sense, fairness and natural justice prevails.
- 2.3 Unless delegated otherwise, the Disciplinary Officer shall be responsible for ensuring due notice is provided to all parties in all proceedings of all times, dates and venues.

3. Procedure for making a complaint relating to a disciplinary matter

- 3.1. A complaint is a formal written statement of allegation made by an individual or organisation regarding the actions or behaviour of any person or body of persons in membership of Hockey Wales or connected with Hockey Wales in any capacity. The complaint must be sent to the Hockey Wales Disciplinary Officer or the Regional Disciplinary Officer and must set out in as much detail as possible what rule or rules/regulations it is alleged have been breached or what other conduct has resulted in the complaint.
- 3.2. A complaint may be made by:
 - 3.2.1 any individual Hockey Wales member registered through an Association, a Club, a School or a University who is aged 18 years or over on the date of the complaint;
 - 3.2.2 the parent or other person with parental responsibility for a registered member who is under the age of 18 years of age on the date of the complaint, on his behalf (any complaint made relating to a child or children must be referenced under the Hockey Wales Safeguarding Procedures to ensure compliance);

 - 3.2.5 any person from the general public who has had direct contact or any dealings with Hockey Wales in any capacity.

4. Procedure for dealing with a complaint

- 4.1. Upon receipt of a complaint, the Disciplinary Officer shall consider if the complaint should be dealt with at National level or at Regional level.
 - (i) If the complaint is received at the Hockey Wales office and is to be referred to the Region, the National Disciplinary Officer informs the relevant Regional Disciplinary Officer that a complaint has been received relating to a matter within their Regional remit. The Region shall usually then take on the responsibility for dealing with the complaint. If the complaint is of a significantly serious nature the Regional Disciplinary Officer may request that the National Disciplinary Officer continues to deal with the matter on their behalf.
 - (ii) If the complaint is received by a Regional Disciplinary Officer and is of a significantly serious nature or relates to a national issue the Regional Disciplinary Officer shall inform the National Disciplinary Officer immediately on receipt of the complaint. The National Disciplinary Officer shall then decide if the complaint should be dealt with at National level or at Regional level.
- 4.2. The Disciplinary Officer plus at least one other person chosen from the "disciplinary register of appropriate personnel" shall form an Investigation Committee which shall make an initial decision on the progress of the complaint. They shall decide if the complaint be allowed to proceed formally using these regulations, be dealt with informally because it is not severe enough to warrant full disciplinary measures, or be rejected because it is either invalid within Hockey Wales procedures or should be

dealt with by another authority including but not limited to the NSPCC for Child Welfare or the Police for criminal matters or under a different set of Hockey Wales regulations, such as Anti-doping.

- 4.3. If it is decided that the complaint should not be allowed to proceed to a full disciplinary hearing, the Disciplinary Officer shall notify the complainant of this decision and provide brief reason(s) for the decision. There is no right of appeal by the complainant to the decision made to reject the complaint; the decision made in relation to 4.2 is final.
- 4.4. Where the decision is that the complaint should proceed and there is a prima facie case to answer, these Disciplinary Procedures will be followed diligently.
- 4.5. If the Investigation Committee believes the complaint is of sufficient gravity or concern, a request for interim sanctions may be made.
- 4.6. If it is recommended that there is a prima facie case to answer, the Disciplinary Officer shall draw up a Disciplinary Notice Form which details the complaint and any relevant Rule(s) or Regulations that have allegedly been breached and confirm any interim sanctions that might apply.
- 4.7. The Disciplinary Notice shall be served on the Respondent by the Disciplinary Officer within 10 working days of the decision to follow through with formal Disciplinary Procedures.

5. Interim sanctions

- 5.1. The National Disciplinary Officer will refer any request from the Investigation Committee to apply interim sanctions to the Chief Executive Officer in the first instance and, if in agreement, the Chief Executive Officer shall raise the matter immediately with the Chair of the Board for their approval.
- 5.2. An interim sanction may consist of, without limitation, a suspension from membership (and associated rights) and/or a prohibition of any person or club taking part in any capacity in all Hockey Wales activity including playing, umpiring, officiating, coaching, management, attending meetings, volunteering at clubs or competitions or from entering the venue where hockey events are being held under Hockey Wales jurisdiction.
- 5.3. The only criteria to be used when deciding whether an interim sanction is appropriate are:-

 - (iii) to protect the rights of an individual, or individuals whether identifiable or not against potential harm.

6. Formation of Disciplinary Panel

- 6.1. The Disciplinary Officer shall ensure that a Disciplinary Panel is formed (see 7.1)

- 17.2 No person who has taken part in any way with the disciplinary decision being appealed may be appointed to the committee.
- 17.3 The Appeal Committee will hear the appeal no later than 20 working days after the receipt of the appeal by the National Disciplinary Officer.

18 Notice of Appeal Hearing

- 18.1 Notice of the Appeal Hearing date, time and place and the names of the members of the Appeal Committee shall be sent to the appellant no later than 10 working days prior to the date of the hearing.
- 18.2 The appellant(s) shall be entitled, within 48 hours of being so notified, to lodge an objection with the National Disciplinary Officer against any member of the Appeals Committee who can be shown to have a direct personal involvement or interest in the matter. The appellant(s) shall provide appropriate evidence in support of any such claim. The National Disciplinary Officer will review the appointment and if in agreement with the objection (consulting if appropriate with a member of the Board) shall be automatically authorised to make an alternative appointment forthwith. The date of the hearing shall be postponed to a date no less than 10 working days after the date of any such alternative appointment.

It should be clearly understood that all appointed members of the Appeals Committee are deemed to be unbiased, fair and fully conversant with the principles of natural justice unless it is proved to the contrary.

19 Appeal Pre-hearing timetable and procedure

- 19.1 Not less than 10 working days prior to the date of the Appeal Hearing the Chair of the original Disciplinary Panel responsible for the decision which is the subject of the appeal shall provide to the National Disciplinary Officer a written statement for the Appeals Committee, detailing (as appropriate):-
- The circumstances of the alleged breach or misconduct
 - The decision taken
 - Any appropriate justification or explanation
 - The information that was considered in reaching the original decision (e.g. regulations, reports, correspondence)
- 19.2 The National Disciplinary Officer shall ensure that all relevant information is provided to the appellant(s), and to all members of the Appeals Committee, in good time prior to the Appeals Committee meeting (ideally at least 5 working days prior to the meeting, but if this is not possible by virtue of the short notification then as soon as practical, but at least 2 working days prior to the start of the meeting).
- 19.3 An adjournment request cannot be made by the appellant, unless there are exceptional circumstances.

20 Procedure at Appeal Hearing

- 20.1 The appellant(s) may present to the Appeals Committee whatever written submission they consider appropriate. The appellant(s) shall ensure that the members of the Appeals Committee receive this information at least 5 working days prior to the meeting, to give them an opportunity to study the submission.
- 20.2 The appellant(s) shall not, under any circumstances, verbally address any member of the Appeals Committee, or enter into any discussion, either in person or through an intermediary, with any member of the Appeals Committee prior to the appeal being heard or during the course of the hearing other than by way of direct representation during the hearing. Any member of the Appeals Committee who is approached improperly is bound to notify the Chair of the Appeals Committee immediately and may be required to stand down as a member of the Appeals Committee at the discretion of the Chair of the Appeals Committee. Any wilful breach of this clause by the appellant(s) shall be considered as misconduct and may subsequently lead to disciplinary action, but such action should not be considered until the outcome of the appeal is heard.
- 20.3 When the appellant is an individual he may be accompanied by one person of the appellant's choice. Where the appellant is a Region, Association, School, University or Club, it may be represented by two of its members.
- 20.4 The Chair of the Appeals Committee should ensure that the appeal is heard in a manner that allows all parties to state their case fairly and the Appeals Committee may, if they so choose, invite a technical adviser (for example, a respected senior official, lawyer or accountant) to be present, if they consider that this would be of assistance to the hearing of the appeal.
- 20.5 It is not appropriate for the appellant(s) and the other parties to be present simultaneously. No form of cross-examination should be permitted.
- 20.6 If any of the parties do not attend the Appeal Committee hearing, the matter may be dealt with by the Appeal Committee in the absence of that party taking into account any written representations that may have been received from that party.

21 Appeal Decisions

- 21.1 Once the appeal has been heard, the Appeals Committee will withdraw to consider its decision and will, upon the making of the decision, recall the appellant(s) into the meeting and advise the appellant(s) of that decision. No further discussion is permitted at that time, and the appellant(s) will then leave the meeting.
- 21.2 In exceptional circumstances the Appeals Committee may decide that they are unable to reach a decision at the time and decide to reconvene to consider further on a subsequent occasion. However, the decision should be reached within 7 working days and reported to the appellant within 5 working days of the decision being made.
- 21.3 The decision of the Appeals Committee is final and there is no further right of appeal.
- 21.4 The Appeal Committee may decide that the allegations against the appellant are upheld.
- 21.5 The Appeal Committee shall have the power to reduce, increase, quash or confirm the sanctions imposed by the Disciplinary Panel and/or may substitute for it any other sanction(s) which would have been available to the Disciplinary Panel; and/or make such other order or determination as it may think right or just.
- 21.6 The Appeal Committee may direct any party to the Appeal to bear the administrative costs of holding the Appeal where it considers it fair and just to do so.

22 Procedure following an Appeal Hearing

- 22.1 The Appeals Committee, supported by the National Disciplinary Officer, should, following their notification of the decision to the appellant, then advise other interested parties who have been present at the appeal of the decision. No further discussion is permitted related to the matter at that time.
- 22.2 The Appeals Committee will confirm to the appellant(s) and the other interested parties, including the Disciplinary Panel Chair, if appropriate, the decision of the Appeals Committee in writing as quickly as possible, by hand, facsimile, e-mail or post.
- 22.3 Hockey Wales will be entitled to publish the decision of the Appeals Committee in such a manner as it considers appropriate 2 working days following the notification of the decision to the Appellant.
- 22.4 The National Disciplinary Officer shall maintain a record of all decisions of the Appeals Committee; all correspondence, documents, witness statements and minutes of the hearing shall be kept in secure conditions for a period of at least 5 years.

23 Shortening of the Appeal Process

- 23.1 Where it is necessary to expedite the consideration of the appeal, the Chair of the Appeals Committee may vary certain of the above conditions but if this action is intended, then the appellant(s) should be advised and given an opportunity to lodge an objection to this proposal to modify the procedure.
- 23.2 Normally, the modification should not be carried through against the wishes of the appellant(s), except where the objection by the appellant(s) is without just cause.

Appendix 1

Cases involving children and young people

All children and young people within Hockey Wales have equal rights to justice, fair play and protection. Such persons shall be entitled to the full protection of all our policies and procedures and their complaints shall be dealt with as thoroughly and rigorously as any other member.

It is vital that it is recognised that some children and young people may be more vulnerable than others and that some may encounter extra barriers due to their race, gender, age, religion, disability, sexual orientation, social background and culture, chairs of hearings must at all times be mindful of the pressures of such vulnerability where appropriate.

All matters concerning Child Protection including 'poor practice' shall be referred to the Hockey Wales Safeguarding Officer and must not be dealt with using these regulations.

Interviews of children and young people shall only be conducted by suitably trained and experienced nominated persons. Whenever possible, the acceptance by the respondent / appellant of a child's evidence by a third party or in statement form should be sought by the Chair.

Where a child or young person is a respondent or appellant extreme care and consideration should be taken throughout the process.

Chairs of hearings involving children or young people must at all times be patient, understanding and ensure that the child or young person fully understands the process taking place at each stage.

In appropriate cases where children under 18 years are witnesses, care should be taken regarding the provision of evidence. Under no circumstances should the Chair allow undue pressure or any form of hostility to take place at the hearing or in the presence of a child witness.

In all cases, permission must be obtained from the parent or guardian before a child is asked to provide evidence and / or attend a hearing.

Parents, guardians or chaperones are encouraged to attend with any child authorised to attend a hearing.

Always be mindful that miss handling of a child's experience of giving evidence can in itself be distressful and in some cases abusive.
