RE: Changes to affiliations

Hockey Wales has not increased its membership fees since 2014/2015 season. We are all affected by inflation and rising costs, and until now we have worked hard to manage this, however, we are now in a position where we need to address some of the challenges we are facing.

Four categories have been changed with effect from the 2019/2020 season:

- Hockey Family
- Adult Member
- Youth Member
- Coach

Hockey Family

A Hockey Family membership will now apply to those who **do not** play, train, coach or umpire all of whom have their own respective categories.

If you only train, you will now be an adult or youth member

A Hockey Family member could be a parent, a club treasurer / committee member who does not play, a volunteer who transports players etc.

Adult Member (18+)

- Fee increase of £3 from £27 to £30

Youth Member (Under 18)

- Fee increase of £3 from £10 to £13

Coach

We recognise the good work of our volunteers and workforce, and we wish to acknowledge this by reducing the fee coaches pay.

- Reduction in fee of £14 from £24 to £10
