### Basis of Cover

---

Legal liability for damages and legal costs arising out of third-party loss, injury, or damage in connection with the activities described above and notified to the insurers within the period. Cover includes Public Liability, Professional Indemnity, Libel & Slander, Liability for damage to leased and rented premises, Member to Member Liability, Indemnity to Principals, Contractual Liability, Liability for Prosecution Legal Expenses Including Manslaughter, Liability arising out of breach of Data Protection Legislation and Liability arising out of goods sold or supplied

Cover further extends to provide indemnity against legal liability for injury to or illness of employees arising out of or in the course of the business.

Professional Indemnity and Abuse cover is written on a "claims made" wording, which means that the cover will respond on the policy in place when the claim is made, not the policy in place when the incident occurred. Unlike other forms of insurance, there has to be a policy in force at the time at which the claim is made against you and at the time the activity was undertaken. Once a policy is cancelled, expires or lapses no cover would be provided for any claim notified after the date of cancellation, expiry or lapse.

**The above is intended to be a summary only, a full copy of the policy wordings are available on request.**
